FEATURED PROJECTS

Eco-Clean Nigeria (Capstone Project)

HTML, CSS, Bootstrap, JavaScript

Designed and developed a responsive website for Eco-Clean Nigeria, aimed at promoting environmental awareness and waste management solutions. Created a clean, user-friendly interface with seamless navigation and responsive design across all devices.

Personal Portfolio Website

HTML, CSS, Bootstrap, JavaScript, EmailJS

Developed a fully responsive personal portfolio website to showcase skills, projects, and services. Implemented animations, interactive UI components, and integrated EmailJS for a functional contact form.

Webinar Landing Page

HTML, CSS, Bootstrap

Designed and developed a modern webinar landing page to promote events and collect registrations. Focused on clean design, responsive layout, and strong call-to-action elements.

EDUCATION & LEARNING

Frontend Web Development

Self-Paced Learning & Practical Projects

Focused on HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, Responsive Web Design, Landing Page Development, AI Automation, Git & GitHub, and modern frontend tools.

Internship Experience (Current)

Frontend Developer Intern

Coriftech Solutions Limited

Assisting in the development of responsive web applications, working with modern frontend technologies and tools, collaborating on real-world projects, and continuously improving practical skills and industry knowledge.

CAREER OBJECTIVE

To build a successful career as a Frontend Developer where I can utilize my skills in creating responsive websites, automation, and modern web solutions while continuously learning and contributing to impactful projects.
